## FAQs

### ?

**What are the features available for female rider safety?**

Your safety is of utmost importance to us and we take rigorous measures to ensure the safety of our female riders. Our Emergency Response team is available round the clock to attend to any emergency issues during the ride. You can reach out to them through the SOS button after you book a ride. We also have a number masking feature to safeguard the privacy of our female riders. Especially with female riders.

## FAQs

### How does SOS option work?

SOS feature enables you to connect with our Emergency Response team and seek help in case of any Emergencies/ accident. You will find an SOS button after your ride is booked. It also enables you to share the ride details with your trusted contacts.
